LA MADDALENA ARCIPELAGO

WHERE THE SEA MEETS SERENITY

Cala Coticcio

- Pristine white sands and clear waters
- True treasure of the archipelago
- Ideal for swimming and snorkeling
- Stunningly beautiful setting

Testa Del Polpo

- A breathtaking beach with glistening turquoise waters
- Framed by distinctive rock formations
- Ideal for tranquil swims and sunbathing

Cala Corsara

- Serene bay
- Unique rock formations
- Tranquil waters
- Restful retreat
- Away from hustle and bustle

Manto della Madonna

- Stunning lagoon
- Located among three islands
- Dazzling blue waters
- Soft, white sands
- Perfect for swimming
- Ideal for unwinding in a natural haven

An aerial photograph of a coastal area with clear, turquoise water. Several small white boats are scattered across the water. The shoreline is rocky and covered with green vegetation. The text 'Testa del Polpo' is overlaid in the top left corner.

📍 Testa del Polpo

An aerial photograph of a large bay or archipelago. The water is a deep blue, with several sailboats visible. The coastline is rugged and covered with dense green vegetation. The text 'La Maddalena Archipelago' is overlaid in the bottom left corner.
