Garments/month depending on item & style

CORE STRENGTH

- Specialized in cotton and cotton-blended intimate wear and knit programs.
- Product range covers ladies panty, briefs, boxers, A-shirts, tops, T-shirts, kids top-bottom sets and polo shirts.
- Buyer-friendly sample support, sourcing flexibility and third-party inspection readiness.
- Production setup supported by cutting, sewing, finishing, warehouse, store and inspection sections.

WHO WE ARE

A focused apparel maker

Established in 2022, Anita Apparels Ltd is committed to delivering reliable service, product development support and consistent garment quality for international buyers.

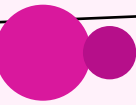

The company is located in Chattogram, Bangladesh, with operations designed around fast communication, practical sourcing and disciplined production follow-up.

The management team understands both western buyer expectations and eastern manufacturing capabilities, allowing Anita to support customers with competitive sourcing, careful execution and timely delivery.

The factory welcomes buyer-nominated or third-party inspections and keeps buyer satisfaction as the central goal of every production program.

Quality. Timeliness. Total Value.

A responsible apparel partner for intimate and knit programs.

Commercial approach

Anita Apparels supports direct buyer programs, buying-house requirements and subcontract production with clear communication and sample development support.

Focused product mix

Specialized in high-volume intimates and knit basics rather than trying to do every category.

Production flexibility

Capacity structure supports sample development, trial orders, repeats and volume programs.

Quality control mindset

The factory emphasizes inspection, punctuality and buyer-accepted production standards.

Bangladesh sourcing advantage

Located in Chattogram with access to established apparel sourcing, labor and export infrastructure.

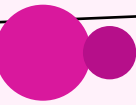

Responsive communication

Dedicated contacts for management, marketing and merchandising follow-up.

Third-party ready

Buyer inspection and third-party inspection processes are welcomed when required.

Best fit for buyers looking for reliable cotton and cotton-blended intimate and knitwear production in Bangladesh
