Production Platform

Moontaha Apparels is part of Moontaha Group, an expanding Bangladesh manufacturing platform with additional production support from Moontaha Fashion and Anita Apparels.

About Moontaha Apparels Ltd

ecution

Established in 2015 by Mr. Md. Abdul Barek, Moontaha Apparels Ltd was founded with a vision to build a modern garments knit factory in Bangladesh. The company focuses on compliant production infrastructure, modern machinery, skilled manpower, quality assurance, and reliable shipment execution.

The factory is designed to support buyers with quality products while addressing health, safety, security and social aspects of employees. The working force is considered a core asset, with continuous development of skill and discipline across production.

Buyer Value Proposition

- **Quality mindset**
Strict QA policy from development to final shipment
- **Scalable support**
Multiple sister units strengthen capacity and continuity
- **Flexible product mix**
Intimates, knitwear, kidswear, T-shirts, polos, bottoms and woven-support categories
- **Responsible operation**
BKMEA membership, BSCI and Sedex documentation included in profile

Leadership & Quality Commitment

Experienced ownership with strict quality direction

Mr. Md. Abdul Barek

Managing Director

Mr. Abdul Barek has more than 30 years of successful experience in the garments field. His deep understanding of buyer requirements, production control and quality assurance continues to guide Moontaha Apparels and the broader Moontaha Group platform.

Factory Strength Under His Leadership

A strict quality assurance policy is treated as the backbone of the factory. The management approach is built around proper planning, controlled production, careful inspection and on-time delivery.

- 1 Production discipline**
- 2 Quality control**
- 3 Buyer communication**
- 4 Long-term reliability**

Quality Assurance & Buyer Support

Designed to protect quality, delivery and trust

1

Material sourcing

Procurement through a sourcing network with attention to quality, buyer specifications and value.

2

Development support

Sample development and program execution across intimates, knitwear and buyer-selected styles.

3

Inspection culture

Quality checks from cutting and sewing through finishing, packing and final inspection.

4

On-time mindset

Planning and production follow-up to support punctual shipment schedules.

5

Responsible labor

No child labor and continued focus on health, security and social aspects of employees.

6

Third-party inspection

Open to buyer nominated inspection and audit requirements where applicable.

Moontaha Group Platform

Additional production units strengthen reliability and flexibility

Moontaha Apparels Ltd. is a core production unit under Moontaha Group. Additional production support includes Moontaha Fashion Ltd and Anita Apparels Ltd. This structure gives buyers a stronger capacity base, greater program flexibility and improved continuity for long-term sourcing partnerships.
