**Connie and John  
Manchester were pillars  
of Lewisburg. Connie  
brought compassion,  
artistic vision, and  
service; John led with  
vision, environmental  
stewardship, and civic  
dedication. Together,  
they shaped the town's  
culture, infrastructure,  
and sense of community  
—and their legacy  
continues to influence  
Lewisburg's heart and  
character.**
