

A WORD FROM OUR CEO

GOD IS OPENING DOORS

"See, I have placed before you an open door that no one can shut."

REVELATION 3:8

WHAT'S UP, ALPHA FAMILY!

As we step into September, I keep thinking about the doors God continues to open for Alpha Ministries.

This month, Ethan was invited to share his testimony with young men at Eastern High School FCA. The KY Saber Legion also chose to support Alpha through a hometown event, and WAVE 3 helped shine a light on the support surrounding the ministry.

These moments are more than recognition. They remind us that God can use every part of a redeemed story. The men at Alpha are not defined by their past. As they grow in recovery, faith, responsibility, and purpose, their lives become proof that restoration is possible.

MICHAEL MUDD JR.
CHIEF EXECUTIVE OFFICER

September 10 brings Give for Good Louisville. We are asking our community to help provide 365 days of safe, structured recovery housing. Every gift, prayer, share, and conversation helps keep the door open for another man who is ready to begin again.

We are grateful for every person, church, business, and organization that believes in the work being done here. Please continue praying for our residents and leadership as we follow where God is leading.

God is opening doors, and we are ready to walk through them.

A DOOR OPENED AT FCA

Ethan Loudon shares his testimony at Eastern High School

What a special opportunity for our Men's Program Director, **Ethan Loudon**, to speak at FCA at Eastern High School!

This invitation was made even more meaningful because it came from his younger brother, who invited him to share his testimony, experiences, and the hope he has found through Christ.

We're thankful for opportunities to reach the next generation and remind young men that their past does not define their future. God can redeem, restore, and use every story for His glory.

A MESSAGE OF HOPE

**"YOUR PAST DOES NOT
DEFINE YOUR FUTURE."**

THANK YOU

KY Saber Legion brings hometown support to Alpha Ministries

COMMUNITY SUPPORT IN ACTION

The KY Saber Legion charter hosted a special event in Shepherdsville and chose Alpha Ministries as the beneficiary. Proceeds supported our mission of helping men rebuild their lives through recovery.

Just Piggan Out was invited to join the event, giving us another opportunity to connect with our hometown community and share the heart behind Alpha Ministries.

WAVE 3 highlighted the event and the community support surrounding it, bringing even more attention to a day centered on fun, generosity, and purpose.
