

CONSENT TO PERFORM DENTISTRY

1. I hereby authorize and direct the dentist(s) of Doss Dentistry and/or dental auxiliaries of his/her choice, to perform the following dental treatment or oral surgery procedure(s), including the use of any necessary or advisable local anesthesia, radiographs (x-rays), or diagnostic aids.
 - a. Preventative hygiene treatments, (prophylaxis) and the application of topical fluoride.
 - b. Application of plastic "sealant" to the grooves of the teeth
 - c. Treatment of diseased or injured teeth with dental restorations (fillings and crowns).
 - d. Replacement of missing teeth with dental prostheses, (bridges, partial dentures, full dentures).
 - e. Removal (extraction) of one or more teeth.
 - f. Treatment of diseased or injured oral tissues (hard and/or soft), endodontic treatment.
 - g. Use of sedative drugs to control apprehension and/or disruptive behavior.
 - h. Treatment of malposed (crooked) teeth and/or oral developmental or growth abnormalities.
2. I understand that there are risks involved in this treatment and hereby acknowledge that these risks will be explained to me, that I will have an opportunity to ask questions regarding the treatment and the risks, and that I fully understand the same.
3. I will be advised that the success of the dental treatment to be provided will require that the patient and/or parents of the, follow post-operative and post-care instructions of the dentist/s. I agree that the success of the treatment requires that all post-operative and post-care instructions be followed and that regular office visits as scheduled by my dentist and his/her auxiliaries must be maintained.
4. I recognize that during the course of treatment unforeseen circumstances may necessitate additional or different procedures from those discussed. I therefore authorize and request the performance of any additional or different procedures that are deemed necessary are desirable to oral health and well-being, in the professional judgement of the dentist.
5. There are possible risks and complications associated with the administration of local anesthesia, sedation, and drugs. The most common of these are swelling, bleeding, pain, nausea, vomiting, bruising, tingling, and numbness of the lips, gums, face, and tongue, allergic reactions, hematoma (swelling or bleeding at or near the injections site), fainting, lip or cheek biting resulting in ulceration and infection of the mucosa. I also understand that there are rare potential risks such as unfavorable reactions to medications in respiratory and cardiovascular collapse (stopping of breathing and heart function) and lack of oxygen to the brain that could result in coma or death. I understand and have been informed of the above risks and complications.
6. I agree to the use of local anesthesia and the use of nitrous oxide/oxygen analgesia depending on the judgment of the doctor/s. Nitrous oxide/oxygen may occasionally produce nausea and vomiting. I am also aware that the nosepiece leaves an indentation or ring around the nose which disappears shortly after the procedure. I understand and have been informed of the above risks and complications.
7. I also authorize the doctors to use photographs, radiographs, other diagnostic materials and treatment records for the purposes of teaching, research and scientific publications.
8. I recognize it is my responsibility to provide the doctor and/or auxiliary personnel with current medical history and listing of all medications being taken.
9. I hereby state that I have read and understand this consent and that all questions about the procedures will be answered in a satisfactory manner, and I understand that I have the right to be provided answers to questions which may arise during and after the course of treatment.
10. I further understand that this consent will remain in effect until such time that I choose to terminate it.
