NOTICE FOR VENDORS OF ITEMS FOR HUMAN CONSUMPTION

There will be a meeting with the Mason County Health Department at the Manito Village Hall (notice of date at a later time). A representative of the Health Dept. will be there to explain what is required to have a food and/or beverage booth at the festival. You may also turn in your applications or a permit at that time. While the meeting is not mandatory, it is a good way to learn what is required and to be able to ask questions.
