ABOUT US

B MORE DESIGN was born out of a passion for innovation and design with a desire to provide top-quality services and products to clients in need. Over the years, we are growing to become one of the most trusted contractors. We provide services and products in the Renovations, Expo and Renewable energy sector.

We strive towards becoming one of the industry leaders in our fields of expertise;
We aim to achieve this by exceeding expectations and providing quality results and workmanship.

Our team of experts includes skilled designers, builders, painters and project managers who work together to deliver exceptional results on every project. We're passionate about what we do, and we're committed to
Providing our clients with the best possible service.

VISION

Our vision is to become a leader in providing solutions throughout and beyond the Southern African region and to drive our presence and expansion in to emerging markets. We plan to build a value based culture, founded on sustainable development, continuous improvement, as well as enhanced standards and procedures.

MISSION

In an effort to achieve our vision, we understand that the little things matter, therefore we aim to establish and maintain quality people relations and have a people centered approach with whomsoever we conduct our business.
