

Bais Shaindel

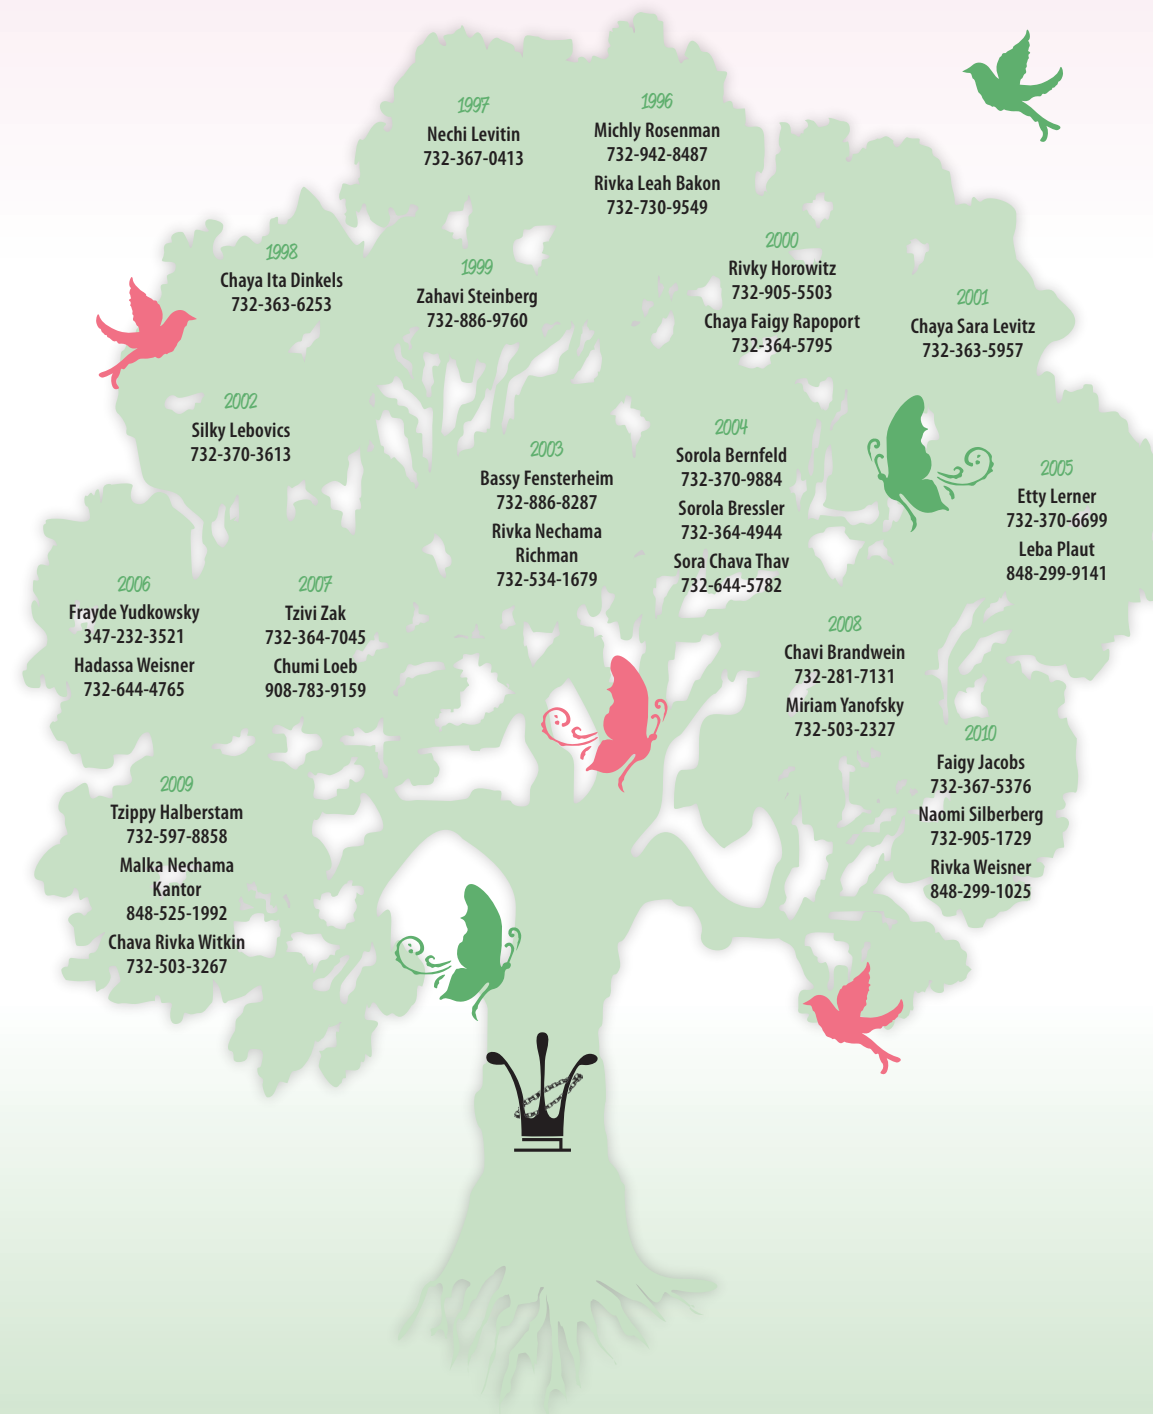

Bais Shaindel High School in Lakewood, New Jersey, offers a premier education to close to 500 girls קט"ה. Named after Shaindel Kline ע"ה it is renowned for its blend of excellence in חינוך, emphasis on character development and trying to bring out the best in every girl. Now in its 18th year, Bais Shaindel continues to be there for every girl at all times, whether in times of joy or in times of need. The money generated from our auction will א"ה be used to benefit girls' needs that would otherwise not be fulfilled.

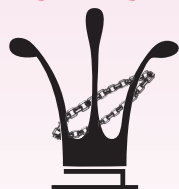

"Keshet Forever" "The Link Between You and Me"

Bais Shaindel introduces our alumnae association. Keshet Forever has been established to strengthen the connection of Bais Shaindel alumnae. During our formative high school years, seeds have been carefully planted, saplings have begun to take root and blossoming flowers have been tenderly cared for. These roots require continuous nurturing to withstand the turbulent winds that threaten to destroy our beloved trees.

Keshet Forever offers nourishment to sustain the roots that were planted in Bais Shaindel. Our activities include monthly shiurim, newsletters, and a yearly grand reunion. We are continuously seeking ways to expand our alumnae activities to keep our "Keshet... Forever..."

18 years of seed and plant
With tender, loving care,
Now shoot some blossoms
and sturdy trees
And the roots will
flourish there
