Monday Ride Report

- David

6 riders participated in the Moylans Wardell journey. The star was Bobby Charlton who is recovering from injury and still managed to stay with the group for the entire ride. Riders were Richard H, Tony, Dave 2, Bruce, Dave and Bobby. Mondays ride has reverted to “no one gets left behind” which makes it more a pleasant social event when the full group stay together. Pete tried to ride but had to give in to a recent injury.

Tuesday Ride Report

- David

Three degrees warmer this morning so the children came out to play. Tom, Gavin and Dave headed down Pimlico and Blackwall Road to Woodburn. It took Tom a while to decide, but when he decided to come he certainly made the most of it. A southwester made the trip down a little slow but made up for it on the return up Kilgin and Bagotville roads to Wardell. The return up River Drive was so fast we were back in Ballina at 10:50 AM. A very satisfying ride. The fine weather is spoiling us and we have nearly forgotten completely the unending rain earlier in the year.

Wednesday Ride Reports

- David

Four riders started on the Wednesday mountain bike ride. Garry was on a road bike and Bobby was on an electric model but at least the route was up into the “mountains” or as close as it gets around Ballina. Tom and Dave were the traditionalists. Clouds obscured the sun for the most part. Up in the high country Garry was able to do a close up check on the hairy legged draught horse he is so attracted to. It was Garry’s birthday so unbelievably Garry shouted coffee which left the other riders feeling fulfilled and happy.

Friday Ride Report

- Peter

Eight riders left Ballina for Wardell. Tom, Michael and David rode the Hermans and Moylans lane loops. The others, Bruce, Anthony, Bob, Gavin and Shorty took the 'straight through' path to the ferry.

Tom reported that Michael is riding very strongly and, at times, hard to stay with. I believe that Tom unfortunately got a flat tyre, on the ferry, while crossing Richmond River.

Sunday Ride Report

- David

Eight riders ventured out into a moderate SW wind. After traversing north Teven seven riders continued to the riders memorial at the north end of Pimlico road. This memorial has been sensitively created and installed and features plaques for the five deceased riders who graced our company over the last decade. Yellow ribbons were tied to the memorial wheel as a mark of remembrance.

Allan Paul was not included because of his expressed wishes however as a respected individual a plaque for him will probably be added in future.

Following the meeting, four faster riders (Mark, Michael, Dave and Garry) headed into the headwind at around 30km/hr down to Broadwater. On the return the speeds were mostly in the range 34-36km/hr. Later, we all met up for coffee including the rider who got temporarily lost.
