

Transform your outdoor living spaces.

Pest Protection • Solar Protection • Privacy • Climate Control

Enjoy more moments

You've created an outdoor space that you love. The only problem is, it's outdoors. Which means you're at the mercy of the weather, pests, and even nosy neighbors. Motorized, customized and fully retractable MotionScreens™ allow you to enjoy more quality time in your outdoor oasis.

MOSQUITO MAFIA (FLORIDA)

THE SMART PERGOLA
(INDIANA)

Restaurants can take control over the elements to help enhance their dining experience.

Trouble-free operation

With the touch of a button, MotionScreens™ smoothly and silently glide into place, providing sun protection, pest protection and enhanced privacy. Manufactured in the USA and expertly installed by local professionals, quality MotionScreens™ are designed to last day in and day out, sunrise to sunset, so all you have to worry about is enjoying yourself with friends and family.

Customized comfort

Perfect for patio openings, large window and door openings and even garage doors, MotionScreens™ can be customized to enhance the exterior of your home. Choose from a wide variety of colors and mesh textures to create the look you want and coverage you need.

Screen Mesh Types

Insect

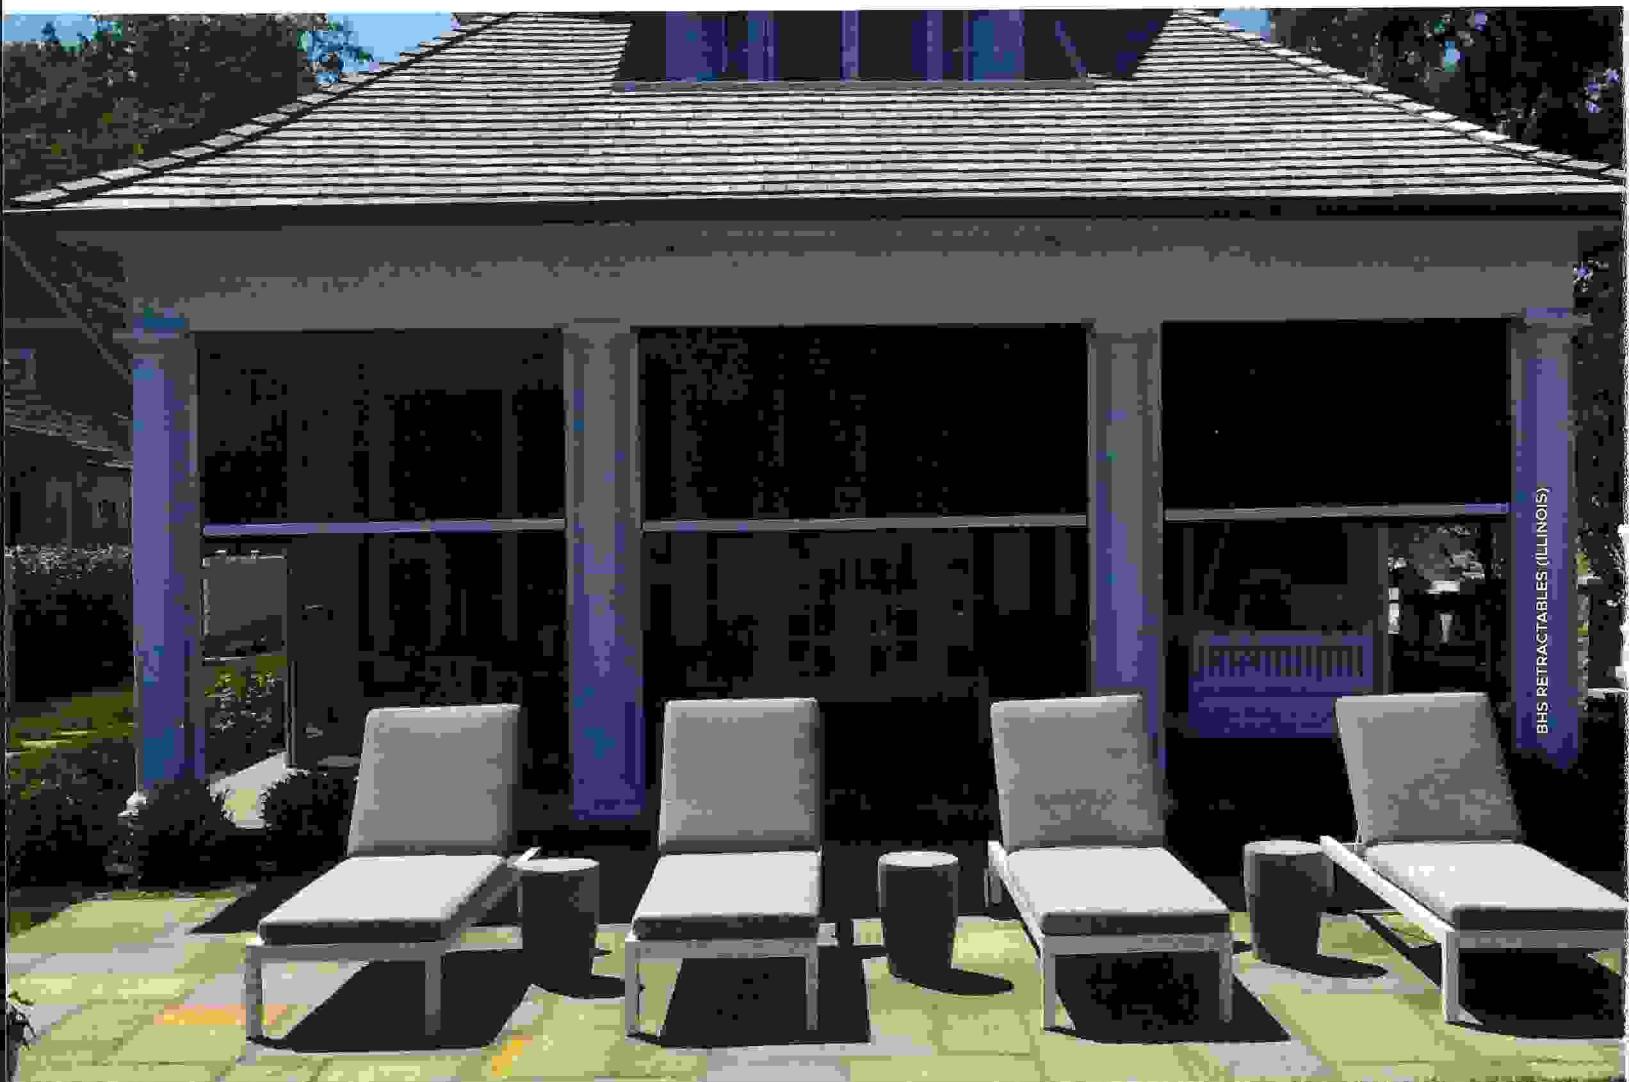

Reduces up to 35% of UV rays; tear & puncture resistant.

Solar

Blocks 85-99% of the sun's heat, glare & UV rays.

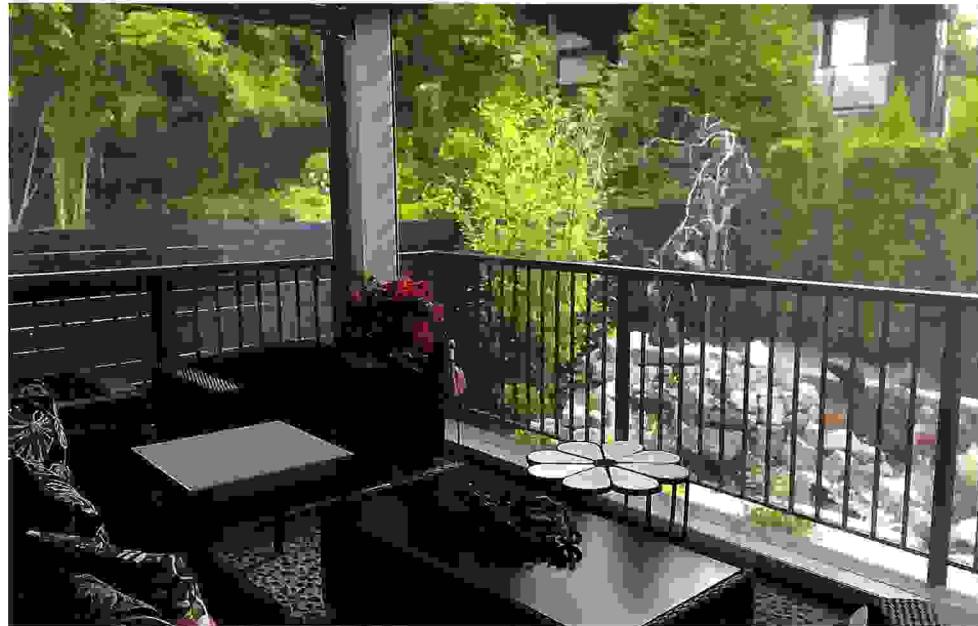

Privacy

Provides up to 100% blockage of UV rays; black-out option; great for home theaters.

BHS RETRACTABLES (ILLINOIS)

Control insects
without sacrificing
your view -
the screen is
almost invisible!

MIRAGE SCREEN SYSTEMS (CANADA)

Energy Savings

MotionScreen™ systems block up to 99% of the sun's heat, glare and UV rays, helping to keep interior temperatures cooler and saving you money on energy bills. For chillier weather, we offer vinyl panels to hold in the heat and block wind so you can enjoy your outdoor spaces more days out of the year.

Chemical-free pest control

Worried about mosquito sprays? Tired of flies crashing the party? Banish disease-ridden and stinging insects with tear- and puncture-resistant mesh.

THE SMART PERGOLA
(INDIANA)

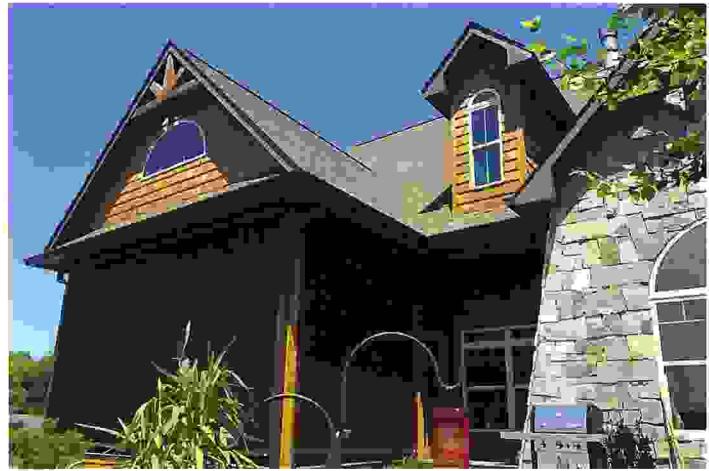

Built to last

To some, screens are an afterthought. To us, they're an obsession. We engineer our innovative products from the highest-quality materials and work to create efficiencies in the manufacturing process so we can do it at a more affordable price. Best of all, every MotionScreen™ system is backed by industry-leading customer service so you and your family can enjoy valuable peace of mind along with the outdoor space of your dreams.

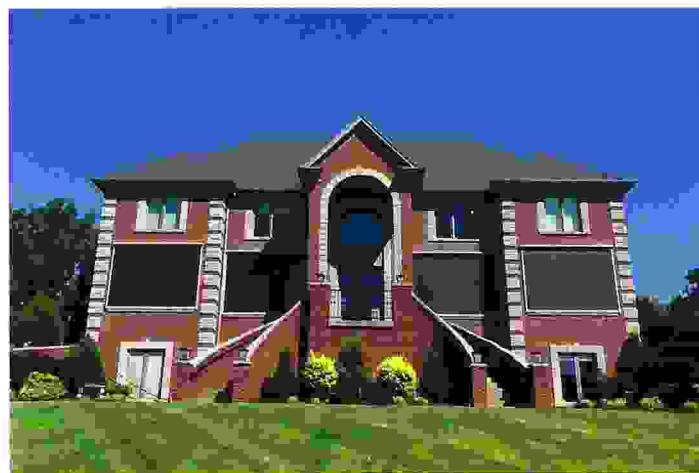

Restaurant owners can provide more seating, more months out of the year with MotionScreens.
