PHOTOGRAPHY AND FILMING CONSENT FORM

The Wick aims to provide a safe and enjoyable experience for every child or young person. To help us do this, please note the following important information:

- We recognise the need to ensure the welfare and safety of all children and have written an overarching Safeguarding policy which sets out how photographs and videos of children involved in our activities should be taken and shared. A copy of this is available from Youth Leader or Trustees of The Wick
- We will take all steps to ensure images of children are used solely for the purposes they are intended. If you become aware that these images are being used inappropriately you should inform The Youth Leader or Trustees immediately.
- We will not take or share photographs, video or other images of children and young people without the consent of the children involved and their parents or carers. This agreement fits with our overarching online safety policy.

PARENTS AND GUARDIANS: please read and discuss this consent form with your child and then fill in your section below, ask your child to fill in section 2, and return it to the group leader. If you have any questions or concerns, please speak to our Youth Leader or the Trustees.
