Dear Parent / Guardian

Re: Leaving “The Wick” Junior Sessions Unaccompanied

The Eton Wick Youth and Community Hub team have a responsibility to maintain the safety of all who attend “The Wick” sessions, with that in mind we will be asking participants to sign in at the beginning of a session and sign out as they leave.

Once a young person signs into our sessions, they will be required to stay in the centre for the full session duration unless accompanied by the staff team for an outside activity.

For members of our Junior Sessions; in line with our safeguarding policy, advice from Police, our affiliation with Berkshire Youth and in accordance with the Royal Borough of Windsor and Maidenhead’s policy for under 13s, young people will be able to leave at the end of the session, to make their own way home unaccompanied, only with the prior written consent from their parent or guardian. **If however, a young person leaves the session, without prior written agreement being received, we will call and report this to the emergency contact.**

Please complete the slip below if you are happy for your young person to leave and travel home unaccompanied at the end of the sessions. If you have any questions relating to this or any Youth Club matters please speak to a member of the team or contact the EWYC Committee via the email address at the top of this page.
