

A Healthy Body, A Healthy Mind

Brought To You By iCure

What is it?

- This internship allows you to work in a team setting to research ways to promote healthy eating and blend that in with exercise.
- Find ways to promote and raise awareness for a healthy lifestyle. Help the community prosper and be more educated and gain leadership skills that can be helpful for the rest of your life.
- Duration: 3 weeks | 1 week is spent onboarding
- Time commitment: ~8-10 hours a week
- Service hours are rewarded at the end of the project
- Location: Remote
- Date: July 2nd 2021 - July 23rd 2021
