Town of Old Fort
38 Catawba Ave
Old Fort, NC 28762

ID NO. NC0156025

BOIL ADVISORY!

The Town of Old Fort had to replace a six-inch water main valve. Which caused a loss of water pressure in the system. The area on the north side of the railroad, which supplies water to your residents. Which requires all residences on the north side of the railroad tracks that are supplied water from the Town of Old Fort to boil water until further notification.

Therefore, the Division of Water Resources advises that when water consumers **should boil all water** used for human consumption (including drinking, making ice, brushing teeth, washing dishes and food preparation) or use bottled water.

Vigorous boiling for one (1) minute should kill any disease-causing organisms that may be present in the water.
