Just be your naturally helpful self to save the world from selfishness.

Free Online Guide™

 in the CONTEXT of 

The Most Mutually Helpful Conversations Possible™

Most people agree on >99% of what is and isn't helpful. But when you don't, or want to better, this guide can help you through the most verifiably evidenced ways to maximize your mutual rewards.

That's all there is for now.

More is coming*!*

Thank you for your patience*!*

I have drafted a few hundred pages that I am editing down to a few dozen. I hope. :D *!*

Tim
