The Most Mutually Helpful Dialogues Possible™

Although most people agree on what is and isn't helpful, this guide is to help you work out differences about that, and maximize mutual respect, prosperity and enjoyment infinitely faster than is now occurring.

Includes "Vast Verifiable Evidence, Vital Details, and Tools" for putting helpfulness over selfishness in all you do and in the world.

That's all there is for now.

More is coming !

**I have drafted a few hundred
pages I am in editing down to
a few dozen. I hope. :D !**
