

# Help "Save the World" <sup>\*</sup> with a few free taps on your phone.

**Post this note all you can** (off our web-  
site) **to inspire media & politics, on  
all their screens & in all they do, to**

**"Put Helpfulness Over Selfishness™**

**... "to forgive & remind everyone to  
avoid & restrain that economy-  
&-happiness-crippling scourge.**

**+ *Use the most mutually helpful dialogues pos-  
sible to resolve differences as fully as possible.***

**Details at [Puthelpfulnessoverselfishness.org](http://Puthelpfulnessoverselfishness.org).**

**\* Limit everyone's bother, & grow their enjoyment, infinitely faster than is now occurring. Selfishness is massively destructive self-help that does not care if it hurts others, like 1 drop of benzene poisons 2500 gallons of clean water.**

**Many people are too "'trauma' bonded" gaslit by their inadvertently selfish media, politics, religion, education, etc. to see past their unwitting profiteering BRAINWASHING to grasp what THESE words ACTUALLY SAY. Just help them all you can.**
