

# Help Make ALL the Difference in the World. Free. Easy.

**Post this Note everywhere** (screenshot or take a photo of this or the one on my home page), **tag media** (copy / paste 100+ usernames off that page) + **leaders** to **inspire them** to **simply put these 3 words first** on their screens:

**Helpfulness Above All™**

- To help the world make its most universally-rewarding behavior, helpfulness, its top united organization, media, business & personal priority, to build your & everyone's greatest trust, peace, prosperity, & thus the economy. **NOT** making helpfulness our world's top united priority **has let its opposite, selfishness, divide & dominate us.**

This is for everyone, especially selfishly condescending liberals and conservatives.

I have been selfishly condescending on both sides, and I apologize. I strive to make up for that in this project. For "helpful" and "selfish" are often very subjective. So to sort that out, see my latest **Free Online Guide™ to The Smartest Dialogs Possible™**. GoFundMe <sup>2</sup>\$10 to help me develop that guide & my future free **Smartest Dialog™ app**, and you get that app a mo. before anyone else.
