Helpfulness Above All™

To help maximize everyone's affordability in all ways.

- **I.e., to help the world make its most mutually-rewarding behavior, helpfulness, its top uniting priority, in all we all do, to maximize everyone's peace, prosperity, and thus our ABILITY to AFFORD to THRIVE in all ways.***
NOT making helpfulness our world's top uniting priority has let its opposite, selfishness, divide & dominate us.
- **Especially in the U.S. & world thru misleading out-of-context political messaging & the media who profit from that.**

*E.g., most vividly, in **WWII**, the U.S. **helped Europe's democracies resist authoritarianism**. That made our industry & economy the wealthiest, which we spread to the world. But now U.S. politics 1) has us largely quitting that role, ceding to authoritarian China, much of whose wealth has come from U.S. markets, & 2) is destabilizing vital data. My Free Online Guide™ has all verifiable evidence. GoFundMe ≥\$10 helps me develop that + my free app of it + you get it early. Helpfulnessaboveall.org TM & © 1.12.26 All rights reserved. Tim Mossman
