Helpfulness Above All™

- To help the world make its most universally-rewarding behavior, **helpfulness**, its **top uniting priority**, in **all** aspects of life, to **maximize your & everyone's peace, prosperity, the economy, and affordable way of life.*** **NOT** making **helpfulness** our world's top uniting priority has let its opposite, **selfishness**, divide & dominate us.
- Especially by **selfish liberals, conservatives, and the media and leaders who empower & profit from them.**

*E.g., most vividly, the U.S. united to help save the world from **selfish global authoritarianism** in WWII. That built our industries / us into the world's richest economy with <5.7% of the world's population. But we are now largely quitting that role, and authoritarian China is taking our place.
