

Help Make ALL the Difference in the World. Free. Easy.

Step 1: Screenshot / post this note, tagging media (usernames on our site) and leaders to help inspire them to put 3 words **FIRST** on all their screens:

Helpfulness Above All™

Because

Helping others the most you feel you can, at work & otherwise, is how you & everyone already build your own greatest trust, peace, prosperity, and the ECONOMY. **NOT** making **↑** THAT our world's TOP priority **lets the opposite of** helpfulness, **selfishness** (impatient self-help that hurts others), **esp. in politics & media, excessively impede** those things, which we all **NEED** to **afford** to **SOLVE PROBLEMS** infinitely better: **Uncertain incomes, inflation, recession, war, poverty, hunger, etc. – WITH the BEST ECONOMY POSSIBLE.***

This is NOT about working harder to help others/ourselves, but **EASIER**, overall, for **EVERYONE**, incl. skeptical conservatives & liberals. Optional: GoFundMe ^{~\$10} to help w/ my **Free Online Guide & Free Interaction App Plugin**, & get it first! *"Helpfulness" and "selfishness" are subjective and require careful discussion.*

Step 2: Use the current draft of that free guide to help you & others now!

*Even **"selfish"** people help others the most they feel they can. I always did. For which I apologize. Tim Mossman ©9.23.2025 HelpfulnessAboveAll.org
