

Helpfulness Above All™

In more detail.

By all verifiable evidence, **everyone appears to ALREADY intuitively help themselves by far the most in life, overall, by simply helping other people the most they emotionally feel they can, at work and otherwise.** And you may think you do that, but that other people don't, and **that appears to me to be the core selfishness of condescending liberals & conservatives who divide the world most.** As again, **"helpful" & "selfish" are often very subjective!** And while we agree on their meanings enough to get by generally in life, overall, our political differences over those two terms need much work. Hence my **Free Online Guide™** to work out most mutually helpful solutions through **The Smartest Dialogs Possible™**. For **WE ALL need THE MOST HELP POSSIBLE to BUILD the MOST STABLE, TRUSTWORTHY ECONOMY POSSIBLE, to AFFORD to CONTINUALLY SOLVE ALL OUR PROBLEMS - shaky jobs & incomes, war, poverty, ignorance, etc. - INFINITELY BETTER THAN WE DO NOW.** Am I wrong?
