The Helpfulness Above All™ Handbook™
to Facilitate**

The Smartest Dialog Possible™

**as the main tool to fully implement
The plan to save the world asap™.
See that plan in the Endnotes.**

Putting “Helpfulness Above All™” first on your screens and other communications conveys that you aspire to be as universally helpful as possible. That requires you to use the smartest dialog possible.

**See the
Help-Preference Profiler™**

To help you quickly tailor your help to others and and vice versa. It takes all kinds of people to help the world work as well as it does. Most differ from you. And you need that, to live as well as you do.
