

**This project is just
getting started.**

**It is based on the most powerful
“first principles” of value creation
(see the next panel below), and it is totally free,
nonpartisan, and I hope it is ultimately more
immediately universally helpful and reward-
ing, overall, than anything you’ve ever read, or
will read, if I have done and do my job right.**

**Please tell me if it ever seems this may not be
all that. Or cannot become all that. Also please
tell me how you think I might improve this!**

**And conservatives, if this seems like a liberal
project, swipe down to where I say it can be
most helpful for liberals to apologize to you.**

**MY politics are to maximize universally profit-
able and rewarding helpfulness, to replace
peace-and-prosperity-damning selfishness.**

**I am developing this project by myself, curat-
ing the input of dozens of friends and others to
whom I’ve been listening, who have provided
and still provide great insights. - Thank you!**

**This is a continual work-in-progress. I am not
affiliated with any group, and to keep it simple,
I will only accept money through GoFundMe,
details are in the footer, for which, thank you!**

**This project is a sole proprietorship which I aspire to make
into a totally free, super-frugal, fully transparent “profit
for all” world’s most universally helpful media platform.
A link to my accounting is in the footer below, available
for CPA audit 24/7. GoFundMe ≥\$10 helps me develop my
always-in-development Free Online Guide™, link below, and
gets you my free now-in-development mutually-helpful-
dialog app for this project a month before everyone else.**
