

Tap “Next” below for the first @usernames to highlight / copy / paste / tag in your social media posts of that Note. **And if you inspire only TWO of them, and no more, to do that too, JUST ONE TIME, within the week ...**

... and that multiplies by only **TWO PER WEEK**,
 nonstop, then **EVERYONE** on **EARTH** will
 get that Note **WITHIN 34 WEEKS**.

But **99.9%** of people in the world are **NOT**
 you. So please strive to inspire **dozens** of
 those and others to share this Note this way.
 Even a few days a week. Or every day.

**In addition to these below, ESPECIALLY tag
 LOCAL MEDIA & LEADERS WHO ASPIRE to
 MAKE a SPLASH NATIONALLY THEMSELVES.
 NATIONAL MEDIA SEEKS SUCH STORIES.**

If these below won't highlight, tap
 this to get the PDF on which to do that:
23 Top Media Leaders to put in ALL posts,
then the 38 Top Social Media Influencers
which I will strive to update as these join in.
Then of course also tag your regional and local media
and other leaders, senators, governors, mayors, etc.
