Post this Note on social media (screenshot this, or if it is printed, take a photo of it), **tag media + leaders usernames** (highlight/copy from my website) to **inspire them to put 3 words first on their screens:**

Helpfulness Above All™

- To help the world make its most universally-rewarding behavior, helpfulness, its top uniting priority, in all aspects of life, to maximize your & everyone's **credibility, trust, peace, prosperity, & thus the economy.** **NOT** making helpfulness our world's top uniting priority **has let its opposite, selfishness, divide & dominate us.**
- Especially from **selfish liberals, conservatives, and the media and leaders who empower and profit from them.** **And this will benefit them infinitely more overall!**
