

# Help Make ALL the Difference in the World. Free. Easy.

**Post this note everywhere** (screenshot or take a photo of this or the one on my home page), **tag media** (copy/ paste 100+ usernames off that page) + **leaders to inspire them to simply put these 3 words first on their screens:**

**Helpfulness Above All™**

- To help the world make its most universally-rewarding behavior, helpfulness, its top united political, media, business & personal priority – for your & everyone's greatest trust, peace, prosperity, & thus the economy. NOT making helpfulness our world's top united priority **allows its opposite, selfishness, to divide & dominate us.**

**This is for everyone, especially selfishly  
condescending liberals and conservatives.**

**I have been selfishly condescending on both sides, and I apologize.** I strive to make up for that in this project. Thus "helpful" and "selfish" are often very subjective, so to sort that out, see my latest **Free Online Guide™ to The Smartest Dialogs Possible™**. GoFundMe ≥\$10 to help me develop that guide & my future free **Smartest Dialog™ app**, and you get that a month before anyone else. Please copy and distribute this Promo Note™ freely. © & TM to limit abuse. ©10.28.25 HelpfulnessAboveAll.org Tim Mossman
