SOUND DESIGN

- **SONG REMIXING** {\$15.00 per song up to 5 min.} rate for longer songs available
- **SONG RECONSTRUCTION** (Dry Vocals or Musio) Re-stack tracks.
- **SERMON REBUILD** (Let us re-work your best Sermons and Messages) with music flow, SFX, customized voice intro overlays, or edit just to fit time restraints.
- **AUDIO ENHANCEMENT** of old audio (We can give your songs or favorite album a fresh sound making crystal clear with our audio re-balance, re-mastering system)
- **AUDIO CONVERSION** - "Hold on to the Memories" (cherish the voice of a love-one forever) we can extract the audio from old cell phones, we can also convert old cassettes, albums, 8-tracks, VHS & DVD ("audio only" not video) to our current audio format technology. Listen to your favorite concert DVD converted to audio on Bluetooth in your ride or anywhere.

"FLOW~ETRY"

- Let us add music flow to your spoken word projects and comedy bits.
- We also offer Artists music mp3 coding and tagging - (this allows those who listens to your music, song or audio project to see your photo and bio in visualization mode).
- **Vocal Studio Rental**
- We offer vocal studio rental rates for those looking to record speaking audio only.
- **NOTE: NOT A RECORDING STUDIO FOR SINGING VOCALS.**
- Rental Rate: only \$ 25.00 per hour (rate does not include post production of audio).
- Post-Production cost depends on clients request for final customized audio project.
