This course is taught by Adventure Sports. Adventure Sports was established in 1973 and has since trained over 5,000 confident divers in the Auburn and Opelika area as well as Auburn University students.

This is an entry level Scuba Class for non-divers or people wanting a refresher. Adventure Sports supplies tanks, buoyancy compensators, regulators, and wetsuits for the class. Upon successful completion, participants will receive a Scuba Schools International (SSI) certification.

Students are responsible for supplying their own mask, snorkel, fins, weight belt, and weights.

All supplies needed for the course may be purchased in the Adventure Sports store located on Glenn Ave in Auburn.
