RE: Tyra Hodge Letter of Recommendation

I am writing this letter of recommendation in support of Tyra Hodge's application and candidacy as an assistant principal. I have worked with Mrs. Hodge between 2004-2007 at Park View Intermediate in Pasadena ISD as a classroom aide, and in her final few months, as a classroom facilitator filling-in for a vacant teaching position. I remember Mrs. Hodge as a hard working individual, very creative, extremely professional, and collegial among superiors, colleagues and district staff. She is an individual who cares about the service she provides and how she can continuously help her students.

In addition, I know Mrs. Hodge continuously seeks professional development, training and leadership opportunities to improve instructional effectiveness with her students and assist her colleagues. She always goes the extra step to help anyone she can which has earned her the greatest respect from students, teachers and parents. I know Mrs. Hodge will be an asset as a school assistant principal, and I strongly recommend her for the opportunity to become a successful educational leader to help others. Please feel free to contact me if I can provide any additional information.

Sincerely,

Robert Hasson, Ed.D
