Dear Hiring Committee,

I have supervised Dr. Tyra Hodge for one Semester. In that time Dr. Hodge has displayed advanced skills in classroom management. Tyra came highly recommended by other district principals and has succeeded all expectations. Currently, Tyra has expressed interests in becoming district level administration and I am fully confident that she is ready. I have allowed Tyra to train her co-worker at the DAEP and she has proven to be seasoned and knowledgeable.

I recommend Dr. Tyra Hodge for any promotion available.
