It is with great pleasure that I recommend Ms. Tyra Hodge for an assistant principal position. I have known Ms. Hodge this school year. She is a BSS teacher here at Gardens Elementary and I am her assistant principal. Her position requires organizational skills, a strong work ethic, and flexibility. Ms. Hodge demonstrates all of these qualities and so much more. She is patient and structured for the students and staff she works with. She delegates responsibilities appropriately with her assigned paraprofessionals. She does a great job communicating with stakeholders. In addition, she is a wonderful colleague in terms of helping other faculty in need and volunteers much of her own time to assist with campus events.

I look forward to the opportunity to discuss Ms. Hodge's strengths with you. Please call or email me at any time.

Sincerely,

Cindy Owens
