

Rapid Awareness, Radical Influence

An inspirational and educational keynote to help leaders and professionals master interpersonal dynamics!

Through engaging stories, relatable principles, and audience interaction, we'll learn how to build real-time awareness and persuade with power!

Key Takeaways

We are emotional creatures! When the situation is stressful, time is short, and the stakes are high... there is a battle between what we feel and what we think. In this entertaining and practical session, we will explore:

- ✓ The (basic!) neuropsychology that skews our awareness
- ✓ Sources of our unique "emotional kryptonite"
- ✓ The Purpose, Empathy, and Trust of influence
- ✓ Getting beyond the What to unlock the Why

Participants will be equipped and inspired to read the room and lead with leverage!
