Executive and captains meeting

October 23, 2022, at Harlequins

**Attendees:** Albert Molinaro, Angelo DiFelice, Giovanni Petitti, Goran Vlasenko, Hongbin Yu, Jarek Nagorski, Joe Maganja, Jose Nunes, Jose Pagoada, Paul Gamma, Raman Chirakal, Tomo Dancetovic and Ziggy Wator

**Absentees:** Andrew Bacon, Denis Medrum, Paul Neumann, Peter Pomponio, Rick Berardi and Vic Casassanta

**Topics discussed:** Over-50 division, format for 2023, Sunday BBQ, Sponsors for 2023-24

### **Over-50 division:**

Raman updated the early registration. Out of fifty-five players (Over-50), only five opted to have an Over-50 division. None of those five volunteered to be the convenor for the division or a team captain. It was decided that there will be no Over-50 division.

### **Team format and clarification of 12<sup>th</sup> player:**

Teams are allowed to have twelve (12) players on the pitch. The twelfth player must be a senior player born in 1958 or before. Senior players will be equally distributed among all teams during the draft. If the situation warrants, **a senior player can replace a younger player on the pitch, but not vice versa.** The proposed format is designed to address some of the concerns expressed by senior members of the League.

### **Sunday BBQ:**

Tomo cannot be expected to work every week as he has been doing during the past six years. To share some responsibility, teams on Sunday will take their turn to supply meat, condiments and cook the food. The League will provide propane gas and utensils. Proceeds from the BBQ will go the team responsible for the BBQ.

### **Sponsors:**

The cost for sponsorship would be \$400.00 per year with a commitment to sponsor two years in a row.
