

Veterans and/or Veteran Spouses,

Thank you for your interest in applying for the Energy Efficiency & Weatherization Rehab Program. This program will provide households less than or equal to 80% of HUD Median Income (adjusted for family size) to rehab an existing owner-occupied unit. Qualified improvements include: exterior doors, heating, ventilation and air conditioning systems, insulation, roof, windows, low-flow plumbing, floors and walls. After submitting your application, you may be contacted by The Potters' House of Alabama, Inc. for more specific information. The Potters' House of Alabama, Inc. and MidSouth Bank look forward to working with you to improve the habitability and safety of your home.

WHO QUALIFIES?

Veterans and/or Veteran Spouses homeowners in Alabama and whose gross income is less than or equal to 80% of HUD median income for the area, adjusted for family size.

Maximum Subsidy: Up to \$15,000

Retention Period: 5 Years

Eligible Properties: Home must be owner-occupied and used as the borrower's primary residence.

Eligible Borrowers: Owner must have at least 30 days current ownership by life estate or full interest in the fee title.

Eligible Improvements: Exterior Doors, Heating, Ventilation, and Air Conditioning; Insulation; Roofing; Windows; Low Flow Plumbing Fixtures; Exterior Ramp, Sidewalk, and/or Driveway; Handicapped Bathrooms; Kitchen Cabinets / Sink; Carpentry to Widen Doors; Replacement of Floor Coverings;
