To Whom It May Concern:

Nadine Henderson has been employed by me for over four years and has been an invaluable asset to my dental practice. During her employment, she has performed a variety of functions ranging from assisting during general dentistry procedures to front office duties. She has a positive personality and gets along very well with all her coworkers. She is eager and able to learn any new task and is an exceptionally hard worker. Patients frequently compliment her on her friendliness and ability to put them at ease. I would highly recommend Nadine for a position at another dental office. If you have any questions, please do not hesitate to call me at the above listed number.

Sincerely,

Ronald A. DiCarlo, D.M.D.
