

2020-2021 Topeka Excel Scholarship Application

This is the third year Topeka Excel Volleyball Club has offered scholarships for the members of the Club. Our Club formed in 2015 with only one team. Last season, our Club was lucky enough to have 7 teams and 64 girls. Our Club realizes that paying for competitive level volleyball can be expensive. Our goal is to ensure all players have the opportunity to play volleyball, despite the cost.

Purpose: Provide financial support to members of the Club who need help covering player dues.

Eligibility: Must be a registered member of Topeka Excel Volleyball Club through Heart of America (HOA).

Deadline: Saturday, October 31, 2020 at midnight

Application: The application process will remain confidential. Please complete all parts of the application to be considered.

Essay: Applicant must complete a 1-2 page essay about any topic of their choice. Please identify the topic in the title. Please have the applicant write the essay, not the parent or guardian.

Guidelines: Recipients will be notified via e-mail within fourteen days following the deadline. The \$100 will be awarded via a deduction to the recipient's season dues. If the recipient's season dues have been paid in full, a refund check equal to the award amount will be mailed to the recipient.

Amount: \$100 per recipient. The number of recipients is dependent upon the number of applicants.

Renewal: This scholarship is not automatically renewable. Applicants are encouraged to submit applications year after year, even if they have been recipients in the past.

To apply: Submit completed and signed application, essay, and 2019-2020 report card or transcript to the following email or address:

Topeka Excel Volleyball Club
