

Partner With WearTech™: Transform Healing Around the World

Welcome to **WearTech™**, home of the **Sport-Z™ DC Stimulator** — the world's most advanced *non-invasive technology* for enhancing *microcirculation at the cellular level*. Once available by *prescription only*, our **performance-enhancing therapy** is now **FDA-cleared for over-the-counter use**. This *drug-free innovation* helps people *heal faster, with less pain* — even while they sleep.

Whether you're in *sports medicine, physical therapy, wound care, or health and wellness*, we offer **impactful opportunities** across all *healthcare markets*.

WearTech™ is powered by *Prizm Medical, Inc.*, the pioneering developer of *electrotherapy systems* and **Intelligent Textiles for Medicine™**. We developed the **world's first garment electrodes**, led *research in diabetic foot disease*, and earned **9 FDA 510(k) clearances** — including *2 double-blind RCTs* demonstrating **wound healing efficacy**.

Now, we're inviting **partners, professionals, and influencers** to join our *growing network*.

Engagement Opportunities (OTC)

◇ **Network Partner Program**

Earn commission by introducing qualified B2B contacts who generate volume sales.

◇ **Distributor Program**

Access preferred pricing and generous margins as an authorized distributor.

◇ **Affiliate Partnership**

Receive a custom discount code to share with your network. Earn a commission each time your code is used. Commissions are based on social reach and paid monthly (or more frequently for high-volume affiliates).

Target Brands & Demographics

- **WearTech™** – *Sports Medicine & Recovery*
 - Athletes, Trainers, Teams (Pro, Collegiate, High School)

Target Brands & Demographics (continued)
