

WELCOME TO ARLINGTON HIGH SCHOOL EAGLE FOOTBALL!

Hello football prospect! We are looking forward to you joining the high school football program. The very first thing you should do, if you are interested in playing football next year, is sign up for our Google Classroom and our Remind App. Everything you need is posted there. Once you join the classroom, you can add your parents as well. Here is the Arlington Gridiron link as well! <https://arlingtongridironclub.com>

Once you go to the classroom, click on "Classwork" at the top and enter your information on the "Football Sign Up Sheet" and check out the calendar for our summer schedule. This is a rough draft of the calendar and will not be finalized until February 25th. We will be updating August and September over the summer, so check it online. It updates automatically when we make changes.

Parents and Players, please sign up for our Remind 101 app:

All of our communication is done through this app.

Summer expectations: Be there when you can! If you cannot make it to lifting or practice anytime from June 4th to August 14th, just fill out your absence on the Google Sheet in our Classroom before you miss. That's it! We want you to play other sports, go on vacation, etc, but if you are in town on a lift/practice day, we want you to join us to get strong, learn plays, get in shape, and prepare for the fall!

In order to participate in summer activities, you must complete Final Forms which will be open mid-May and complete the Summer Expectations Form, which can be found on Google Classroom.

Competition: You will be added to a summer competition team on your first day, and we will do competitions every Tuesday in the summer. Attendance really helps each team, so make it as often as you can. The winning team gets a championship T-Shirt!
