ABOUT THE TAILORING PROGRAM

Precision-Tailored for Unmatched Capability.

Experience the ultimate in customization with ECD Automotive Design's tailored INEOS Grenadier. Crafted with precision and expertise, this vehicle is uniquely adapted to your needs, combining luxury and rugged capability.

ECD specializes in meticulous tailoring, utilizing premium Chelsea Truck Company, Eibach and Milltek components to enhance both performance and aesthetics. The result is a one-of-a-kind adventure vehicle that seamlessly blends personalized design with exceptional craftsmanship.

A dark-colored Land Rover Defender is shown from a rear three-quarter view, parked in front of a stone wall. The vehicle features a spare tire mounted on the back, a yellow license plate with the letters 'CTC', and rugged tires. The text 'STEP ONE' is centered above the main title, and the title 'BASE VEHICLE' is prominently displayed in large white letters across the middle of the image.

STEP ONE

BASE VEHICLE

The Perfect Starting Point for Your Adventure Embark on your travels with a reliable and capable base vehicle, offering the ideal foundation to bring your vision to life. Designed for flexibility and adventure, it's the perfect starting point to create a truly personalized and striking vehicle that's tailored to your unique style and needs.

— Step One - Base Vehicle

INEOS Grenadier Base Specification:

Ready for Your Personal Touch.

Start your journey with the versatile and robust Base Specification of the INEOS Grenadier, designed to serve as the perfect foundation. Completely customizable, it allows you to tailor and personalize your vehicle to match your unique style and needs. Whether for adventure, work, or leisure, this ready-to-build platform provides the freedom to make your Grenadier truly your own.

— Step One - Base Vehicle

INEOS Grenadier Fieldmaster Edition:

Heritage Charm Meets Modern Sophistication.

Set yourself apart with the exclusive Fieldmaster Edition, blending timeless heritage with refined sophistication. Designed for those who appreciate classic off-road character, this edition combines rugged durability with elegant detailing. Stand out from the crowd with unique finishes and premium features that embody adventure, heritage, and style. Making every journey not just a drive, but an expression of individuality and distinction.

THE START OF THE ADVENTURE

No Limits. Just Possibilities.

At ECD, we offer flexible options to suit your needs. Whether you're starting with a brand-new or a pre-owned INEOS Grenadier purchased through ECD, or wish to personalize an existing Grenadier you already own, our expert team can tailor your vehicle to your exact specifications.

Additionally, thanks to our strong partnerships with the local Crown INEOS Grenadier group, we ensure you receive the best prices and dedicated support for post-sales service, maintenance, and ongoing customization, guaranteeing a seamless and premium ownership experience.

STEP 2

- EXTERIOR CHOICES

Series 1 Body Kit: Perfectly Crafted to Enhance and Elevate.

Transform your vehicle with our meticulously designed Series 1 Body Kit, which includes a selection of components to customize your vehicle's look. The kit features wheel arches, a grill mask, alpine covers, a rear roof wing, and a spare wheel cover. All carefully designed to complement the original shape of the vehicle. Each element is crafted to subtly accentuate the vehicle's natural lines while enhancing its stance, giving your vehicle a more commanding and refined presence. Choose from a selection of premium wheels to complete the look and make your vehicle truly stand out.

Series 2 Body Kit: Bold, Aggressive, and Off-Road Ready.

Elevate your vehicle's presence with the Series 2 Body Kit, designed for those who want to make a commanding statement both on and off the road. This comprehensive kit includes a selection of premium wheels, plus 40mm wide-track overfenders for added width and stability. The set features an imposing grill mask, alpine covers, a large roof wing, and a spare wheel cover. All crafted with an aggressive aesthetic to dominate any terrain. Built for durability and impact, this kit transforms your vehicle into a true off-road powerhouse with a formidable, ready-to-conquer look.

STEP 2

- EXTERIOR CHOICES

Choose from two exceptional alloy wheel designs to tailor your vehicle's appearance and enhance its performance.

Both options combine advanced engineering with stunning aesthetics, allowing you to customize your vehicle to your style and performance preferences.

- G22 RS Forged Light Alloy – Matte Black

A bold, contemporary option with a matte black finish that offers a sleek, aggressive look while maintaining exceptional strength and lightness for improved driving dynamics.

- Mondial Retro RS Forged Light Alloy – Black

A classic yet modern design featuring lightweight forged construction and sleek black finish, perfect for adding a touch of retro-inspired sophistication.

STEP 3 - TIRE OPTIONS

Tires matter as much as wheels.

Choose the rubber that defines how your Grenadier performs. Select the legendary BFGoodrich All-Terrain for dependable, all-season capability on and off road, or opt for the Goodyear Wrangler DuraTrac RT for rugged durability and confident traction in tough conditions. Whichever you choose, we'll help match the tire to your driving style and terrain to deliver optimal handling, comfort, and confidence.

DuraTrac RT

STEP 4

- INTERIOR CHOICES

Tailored Luxury Comfort.

Elevate your driving experience with our premium Comfort Leather Interior, featuring an innovative 3D modular design available in four striking color options: Volcanic Black, Bristol Blue, Vermillion, and Dark British Tan. Crafted from high-quality leather, this interior combines exceptional comfort with sophisticated style, offering a customizable look to match your personality. The seamless, modern design enhances the cabin's aesthetic, making every journey both luxurious and memorable.

Volcanic Black

Vermillion

Bristol Blue

STEP 4 - INTERIOR CHOICES

What is included?

The package includes a complete set of interior components, featuring the front and rear seats, matching headrests, front and rear door panels, door armrests, and the centrally positioned glove box, all designed to provide a cohesive and comfortable cabin experience.

STEP 5

- EXHAUST OPTIONS

Choose Your Performance.

- Milltek Resonated GT

Enhance the rear profile of your INEOS Grenadier with our carefully designed resonated exhaust system. Engineered to refine and enhance the sound of the B58 engine, this ECE-approved system delivers a more sophisticated, balanced exhaust note while ensuring compliance with legal noise regulations. In addition to elevating the auditory experience, it improves driving dynamics for a smoother, more responsive ride. Perfect for those seeking a refined, performance-oriented upgrade that combines sound, style, and compliance.

- Milltek Non-resonated GT

Revitalize the rear end of your INEOS Grenadier with our high-performance exhaust system, designed to perfectly complement your vehicle's presence. This non-resonated setup not only enhances the visual appeal but also dramatically improves sound quality. Bringing your B58 engine to life with a deeper, more engaging exhaust note. Additionally, it optimizes driving dynamics for a more responsive and exhilarating driving experience. Perfect for those who want a bold look and a thrilling soundtrack with every journey.

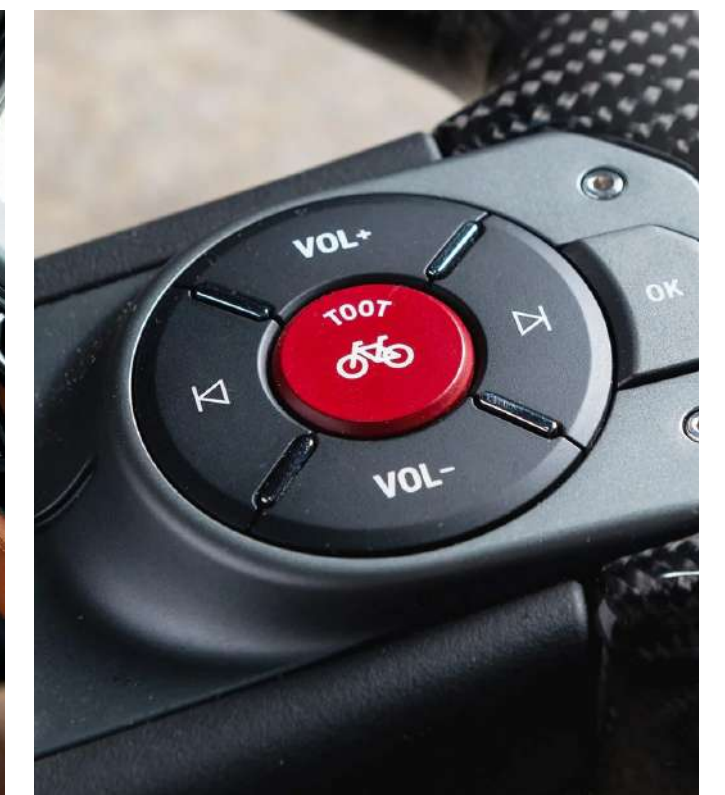

OPTIONAL INTERIOR
EXTRAS

STEP 6 - INTERIOR OPTIONS

Carbon Fiber steering wheel.

Elevate your driving experience with the Chelsea Truck Company Full Carbon Steering Wheel, specially designed for the INEOS Grenadier. Crafted from lightweight, high-quality carbon fiber, this steering wheel offers enhanced agility, reduced weight, and a sleek, sports-inspired aesthetic. Combining durability with sophisticated engineering, it ensures ultimate control and adds a touch of exclusive luxury to your vehicle's interior. Perfect for enthusiasts seeking both performance and refined style.

OPTIONAL EXTERIOR

EXTRAS

STEP 6

- EXTERIOR OPTIONS

Contrasting Roof Paint.

Choose a contrasting roof color from the dealer range to give your vehicle a bold, distinctive look. This stylish upgrade enhances the design with a unique two-tone finish, adding personality while staying factory-perfect.

STEP 6

- EXTERIOR OPTIONS

CTC Text Wheel Cover / CTC Crest Wheel Cover.

Turn every journey into a statement with the Chelsea Truck Company Spare Wheel Cover, featuring either the bold spelled-out logo or the iconic CTC Crest. Built from premium, weather-resistant materials, it protects your spare wheel while adding unmistakable style. Rugged yet refined, this standout accessory embodies craftsmanship, adventure, and exclusivity. Perfect for drivers who demand both performance and presence.

Mirror Lettering.

Make a bold statement with custom mirror lettering on your CTC Spare Wheel Cover. This stylish detail adds a personalized touch, showcasing the Chelsea Truck Company logo in sleek, reflective lettering. Crafted for durability and visual impact, the mirror lettering not only enhances the overall look but also emphasizes your vehicle's exclusive and refined style. Perfect for those who want to stand out and express their individuality on every journey.

STEP 6 - EXTERIOR OPTIONS

Quad Roof Lights.

Enhance your vehicle's rugged appeal with the Gloss Black Quad Roof Shield, expertly designed to combine style and practicality. Featuring four integrated LED lights, this roof shield provides superior illumination for nighttime adventures and off-road excursions. Its glossy black finish adds a touch of modern sophistication while offering robust protection to your roof's features. Perfect for those who demand both performance and a sleek aesthetic.

STEP 6

- EXTERIOR OPTIONS

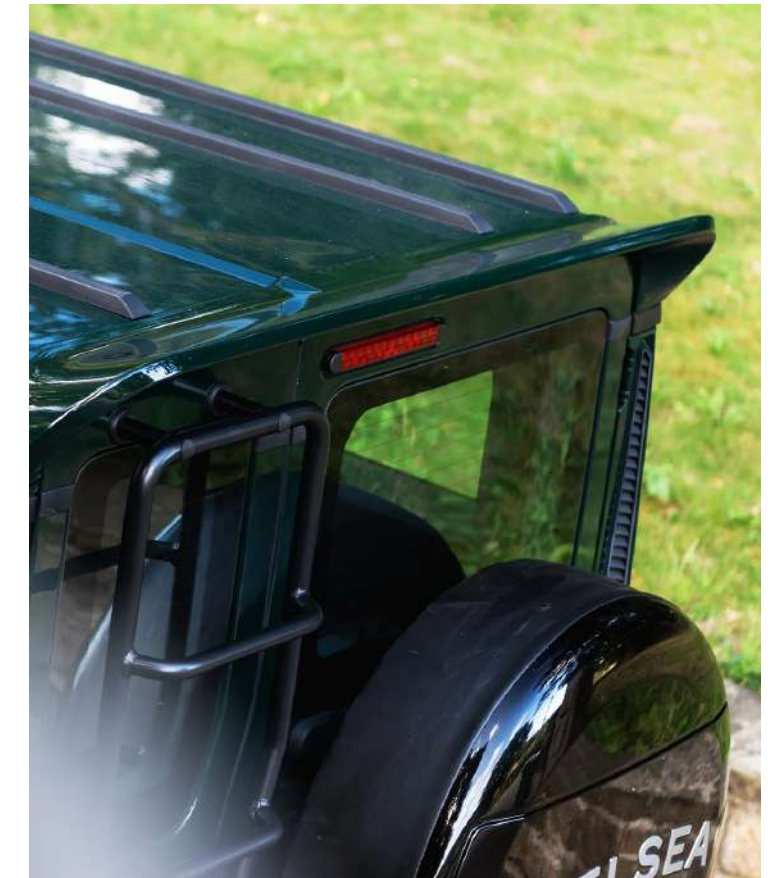

OEM Wide Arch Kit.

INEOS Grenadier (2023-Present) 15mm Wheel Arches

Upgrade your INEOS Grenadier with the 15mm wheel arches, designed to provide superior protection and a more rugged appearance. These precision-engineered arches add an extra 15mm of width for a commanding presence on any terrain. Crafted for durability and a seamless fit, they ensure your vehicle is ready for any adventure.

Roof Wing.

Painted Rear Spoiler

Add a commanding presence to your vehicle with the Oversized Rear Upper Roof Wing, designed for a bold and sporty look. Available in either contrasting colors for a striking visual impact or matching paint for a seamless, integrated appearance, this roof wing enhances aerodynamics and elevates your vehicle's style. Crafted from high-quality materials, it provides durability and a refined finish, ensuring your vehicle stands out on every journey.

STEP 6

- EXTERIOR OPTIONS

Power Steps.

Enhance your vehicle's functionality and style with these premium electric folding sidesteps. Designed for easy and safe access, they automatically extend when needed and fold away seamlessly when not in use. The integrated LED courtesy lighting illuminates your step area, providing added safety and a sophisticated finishing touch during nighttime moments. Perfect for elevating accessibility, practicality, and modern aesthetics in one exceptional upgrade.

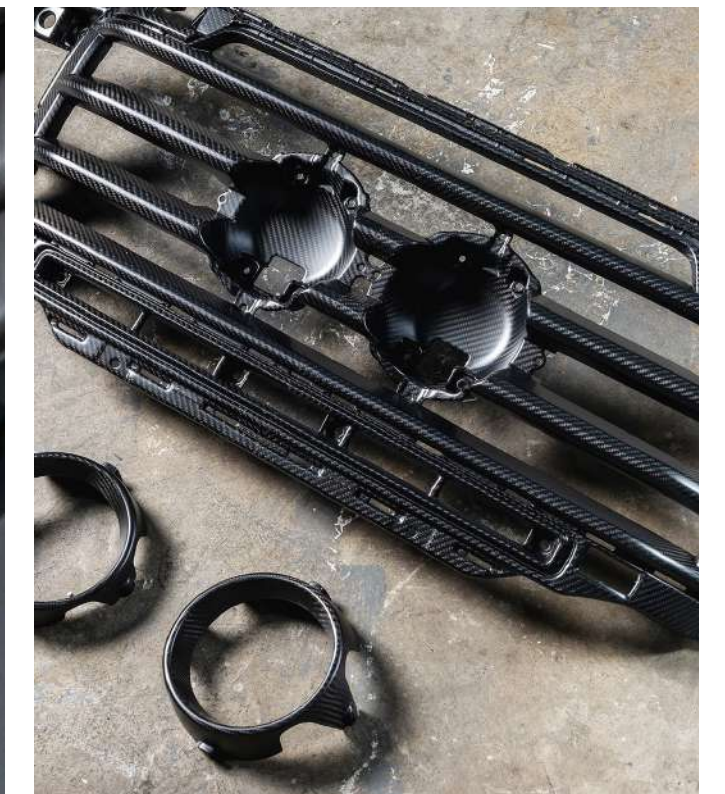

STEP 6

- EXTERIOR OPTIONS

Dakar Grille.

Enhance the presence of your Grenadier with the Chelsea Truck Company's Dakar-Inspired Central Lamp Front Grille. Designed by Afzal Kahn and his team, this premium matte carbon fiber grille relocates auxiliary lights to the center, echoing iconic rally heritage while delivering modern sophistication, superior strength, and a striking OEM+ upgrade.

A dark, atmospheric photograph of three Land Rover vehicles driving on a muddy, rutted trail through a dense forest. The lead vehicle is a Land Rover Defender in the foreground, followed by a Land Rover Discovery in the middle ground, and a third vehicle further back. The scene is dimly lit, with the ground reflecting some light. The text 'OPTIONAL SUSPENSION' is in a small, gold-colored font, and 'EXTRAS' is in a large, white font, both centered over the image.

OPTIONAL SUSPENSION
EXTRAS

STEP 6

- SUSPENSION OPTIONS

Eibach Pro Lift Kit.

Lift and Levelling Kit +1.2" Front +0" Rear

Eibach's PRO-LIFT-KIT springs are developed using championship winning off-road race technology providing maximum lift without compromising factory components or ride quality.

Trekfinder Lowering Kit.

Lowering and Levelling Kit -1"

Lowering spring kit TREKFINDER for INEOS Grenadier - approx. 30 millimeters. Suitable for vehicles without winch, the standard shock absorbers can still be used.

STEP 6

- SUSPENSION OPTIONS

Eibach Sway Bar Kit.

Eibach's ANTI-ROLL-KIT increases stability, reduces body roll, and increases grip resulting in improved vehicle dynamics and performance.

STEP 6

- SUSPENSION OPTIONS

Eibach Pro Dampers.

Damper Kit

Eibach's PRO-DAMPER performance shocks are fine-tuned to match our upgraded springs and provide improved damping for maximum response and ride quality.

Eibach Steering Damper.

Steering Damper

Optimize steering performance with our high-performance PRO-STEERING stabilizer, designed to refine handling, improve road feedback, and enhance stability in both on- and off-road conditions

The image shows the interior of a vehicle, specifically the dashboard and steering wheel area. A large, rectangular infotainment screen is mounted in the center of the dashboard. The screen displays the text "CHELSEA TRUCK C2" in a bold, sans-serif font. Below this text, there are several icons and numbers, including "0 mph", "388", and "208". To the right of the screen is a steering wheel with a large, circular air vent in the center. The steering wheel has a black leather-like finish and a silver-colored center hub. The dashboard is dark-colored, and the overall lighting is dim, suggesting an interior view at night or in a shaded area. The text "OPTIONAL ENTERTAINMENT EXTRAS" is overlaid on the image in a large, white, sans-serif font. The word "OPTIONAL" is in a smaller font size than "ENTERTAINMENT EXTRAS".

OPTIONAL ENTERTAINMENT EXTRAS

STEP 6

- ENTERTAINMENT OPTIONS

Focal Audio System Upgrade.

Focal's French-engineered package delivers a full, balanced soundstage for every seat. The ACX 165 S front speakers provide dynamic mids and sparkling highs, while the ACX 100 ensures clarity in the mid row. A slim ISUB ACTIVE subwoofer tucks away neatly, adding deep, punchy bass for a complete audio upgrade.

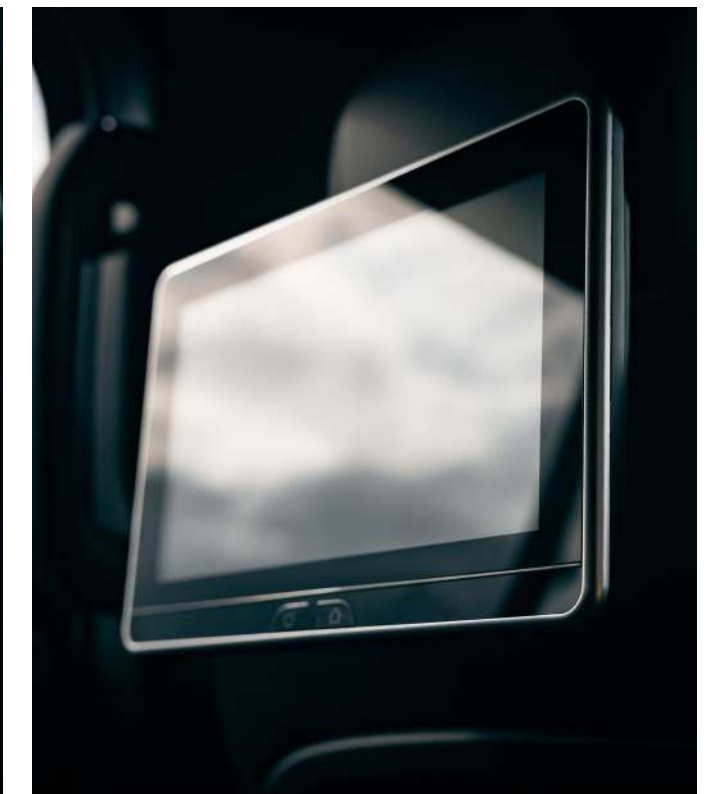

STEP 6

- ENTERTAINMENT OPTIONS

Dual Rear Entertainment Screens.

Transform every journey into a theater-like experience. Our rear-seat entertainment screens bring movies, music, and more right to your fingertips, designed with crystal-clear displays and intuitive controls. Comfort meets luxury, for passengers who expect more than just a ride.

INEOS GRENADIER TAILORED TO YOU

At ECD, we are dedicated to crafting the finest tailored Ineos Grenadiers, brought to life by our skilled craftsmen and women, using only the finest parts available. We are excited to build yours and deliver an exceptional experience that exceeds expectations.”
