

Holly's Closet

Non-Profit Organization

EIN 99-1968871

Who We Are

Holly's Closet is a nonprofit founded in 2024 that provides in-school closets in high schools, giving students access to new clothing and essential items—
anonymously and during the school day.

Our organization was created in memory of Holly, a devoted mother, wife, friend, and psychiatric nurse who dedicated her life to helping others. She passed away in 2020 after a drunk driving incident. Holly's Closet continues her legacy of kindness and giving back.

Our Mission

To provide essential items and build confidence so students in need can succeed.

Purpose

The Holly's Closet Annual Sponsorship Program creates consistent funding and sustains closets in high schools across Rhode Island and Massachusetts. These closets provide students with new clothing, toiletries, school supplies, sports items, "Hollyday" gifts, and attire for special events like prom and job interviews.

Annual sponsors help ensure these closets remain fully stocked and accessible to students throughout the entire school year.
