

## Hofner HI-BB-PE-GR Pro Edition Ignition Series

*Violin Style* 4-string passive Bass Guitar in EXCELLENT to MINT condition  
Custom Hard Case and good used original Flat-Wound Strings included

### **The British Invasion has returned!**

On February 9, 1964, four young lads from Liverpool England made their American television live debut on the Ed Sullivan show. Ringo Starr (Ludwig 4-piece drum kit), John Lennon (Rickenbacker 325 Capri), George Harrison (Gretch 6122 Country Gentleman), and Paul McCartney (Hofner 500/1 violin bass), changed the landscape of popular music forever.

This modern **Hofner Ignition Series** bass guitar faithfully recreates the rich woody undertones produced by its 1964 ancestor – An absolute must for capturing the soul of 1960's rock and roll.
