**8 Pad Electronic  
Drum Kit**

**SIZE:**

**31.1"W x 20.5"D  
x 39.8"H**

**FEATURES:**

- 8 pads and 2 pedals - 193 selectable voices
- 10 presets/1 User set - REC/PLAY function
- AUX IN jack - PHONES OUT jack - USB port
- Drumsticks, Power cord, and manual INCL.

**CONDITION:**

**USED – Very Good**

**COMMENTS:**

This used **Simmons SD Xpress2** is fully functional. It features 8 velocity-sensitive pads (Kick drum, Tom 1, Tom 2, Floor Tom, Snare, and Crash/Ride/Hi-Hat cymbals) as well as 2 pedals (for Kick drum and Hi-Hat).

There are 10 kit presets, or you can define your own. Each pad can be assigned one of 193 voices and its own volume level. It has a programmable metronome, REC/PLAY function, 10 preset songs, AUX input jack, PHONES output jack with ¼" adapter, and a USB port.

Listen privately with headphones (not included), or use the included adapter for connecting it to an amp.

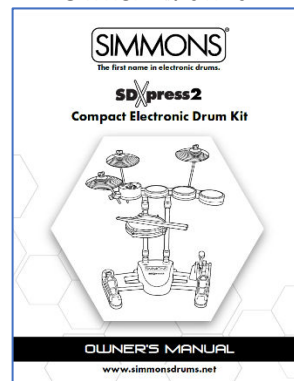

Power supply, drumsticks, ¼" phono plug adapter, and Owner's Manual are included.

- AC Power Adapter
- Nylon-tipped drumsticks
- 1/8" to 1/4" headphones adapter
- Owner's Manual

*Drum throne (seat), headphones, and instrument cable (for connecting to an amp or a powered speaker) are NOT INCLUDED*
