### STYLE/TYPE:

Digital Keyboard with  
88 velocity-sensitive, non-weighted keys

### SIZE:

54"W x 17"D x 31½"H (39" with music rest)

### FEATURES:

- 88 full sized velocity-sensitive keys
- Pitch Bend Control Wheel
- 619 voices (sounds) – 12 drumkit voices
- Top-quality Reverb, DSP, and Harmony effects
- Can be powered by 6 D-cell batteries (not included)
- Stand, Bench, AC Power Supply, and Deluxe Sustain Pedal

### CONDITION:

**USED – Good \* to Very Good**

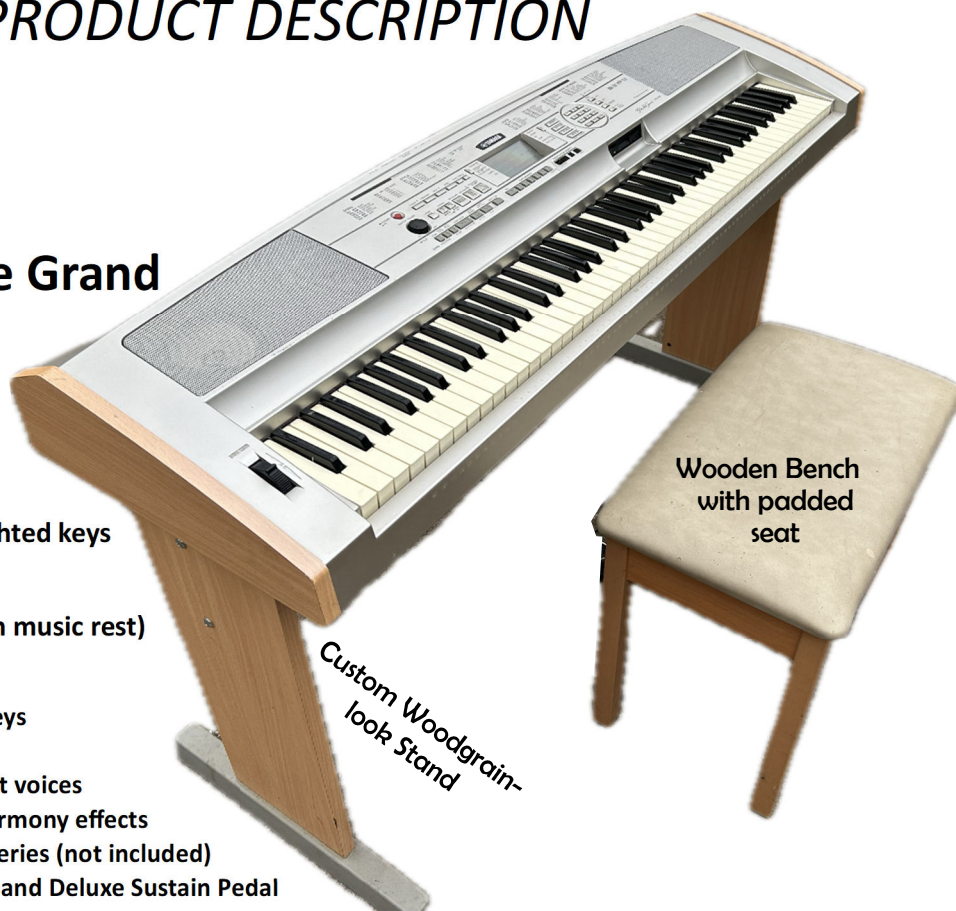

### COMMENTS:

This high-quality, 88-key keyboard comes with the original custom stand and bench. All features and functions, **except as noted below \***, are fully functional. It is in very good cosmetic condition with minor scuffs and blemishes.

**\* The Registration Memory function (for recalling multiple user settings by pressing a single button), is not operational.**

The Disk Operations (3 ½" floppy drive) and MIDI Functions haven't been tested but are guaranteed to be in fully functional condition.

The custom Stand and Bench, Yamaha Power Supply, Music Rest Stand, a Donner deluxe Sustain Pedal, and the complete Owner's Manual are **included**.
