

Titan Mod 2, Titanium 2 in 1 Mouth Harp - wooden case included

DESCRIPTION (from Vladyslav Berezenko):

Exclusive super quality titanium **Titan Mod 2** tuned on note, F#2 (92.5). The **Titan Mod 2** is much clearer and louder than the original Titan (Mod 1). Base tone is 70-75 Hz. A magnetic steel ball is included to make the sound lower (deeper). This is a top-quality instrument, measuring 120 mm (4¾ inches). It's made with great accuracy, in an austere design, that's ideal for both beginning and advanced players. An engraved wooden case is included.

"This is my life's work, direct from the master for a true masterpiece instrument."

Dave's Music Gear and Accessories is a direct distributor for **VLADHARPS**. These superior quality, professional grade instruments are custom designed and handcrafted by Vlad Berezenko in Kiev, Ukraine. **VLADHARPS** offers several "2 in 1" models that create two different frequency ranges from a single harp by simply inserting a small magnetic steel ball (included) into the tip of the tongue – a Titanic idea!
