

## Bowl Cozy Pattern – 9inch

Hoop Polymesh stabilizer.

2 – 10in squares of fabric

1 – 10in square of batting

Stitch **Color 1: Placement Line** .

Place batting on top of Polymesh inside the placement lines.

Stitch **Color 2: Tack Down** .

Trim the batting close against the stitching lines.

Place the main (inner) fabric on top of the batting and smooth down.

Stitch **Color: 3 Pattern Outline** to secure the top fabric.

Stitch **Color 4: Quilting** design.

Remove the embroidery from the hoop.

Cut out the pattern along the outer stitching line.

Trim away the excess Polymesh stabilizer from the seamline.

Place the second fabric (bowl bottom) right sides together on top of project.

Stitch together – following the inner stitching line for a  $\frac{1}{4}$ " seam.

Leave an opening to turn project right-side out.

Turn bowl right-side out and stitch or fuse the opening closed.

Stitch bowl through all layers around the top edge at about a  $\frac{1}{4}$ "

Then from corner to corner, creating an “X” through the bowl.

Enjoy.
