

## FREEHAND QUILT DESIGNS

Open the *Digitize Toolbox* and select *Rectangle*.  
Resize to 6 inches square. Select *Outline* and  
Color: **RED**.

Select the *Open Object*  tool and  
Hold the <Ctrl> key and create diagonal  
Lines from corner to corner.

Using the center point as a guide, create the  
Lines from the midpoint of each side.

(Or download the Guidelines.emb design.)

Select the *Open Object* tool and change to  
Color: **BLACK**.

With *Outline* selected start with a 'Left Click'  
At the top left corner then 'Right Click' curves  
To create a ribbon effect toward the center of  
the square.

Select the stitching and click on *Reshape*   
*Object* to make adjustments.

With the stitching still selected, open the  
*Mirror-Merge Toolbox*.

Select *Mirror-Merge Horizontal* and <Enter>

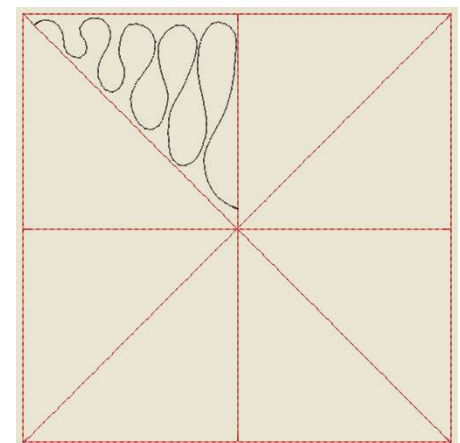

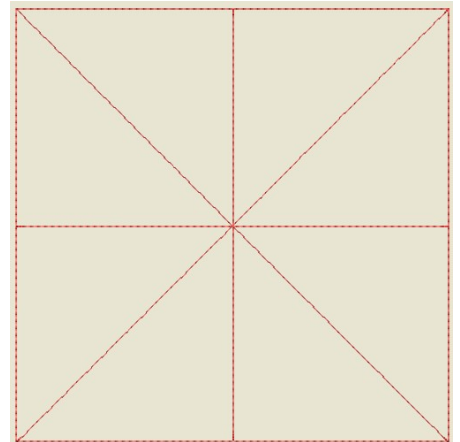

When prompted to merge ... <YES>

Select the new stitching and

 *Wreath*.

Select 4 from the dropdown menu.

Hold the <Ctrl> key and hover until the endpoints meet and press <Enter.>

When prompted to merge ... <YES>

Delete the red guideline stitching.

Select the quilting and adjust the stitch to 3mm.

Remove the checkmark for 'Variable Run Length.'

Save the design as "My Ribbons"

Repeat the process to create a looping quilt design.

Open the Guidelines.emb file.

Start the digitized line at the top left corner

With a 'Left Click.' Then 'Right Click' to finish

At the far side of the midpoint almost to the Center.

Adjust with *Reshape Object*.

With the stitching still selected, open the *Mirror-Merge Toolbox*.

When prompted to merge ... <YES>

Select the *Wreath* and *Merge*.

When prompted to merge ... <YES>

Delete the red guideline stitching.

Select the quilting and adjust the stitch to 3mm.

Remove the checkmark for 'Variable Run Length.'

Save the design as "My Loops."

Both the finished designs can be downloaded. :)
