

Bowl Cozy Pattern – 9inch

Hoop Polymesh stabilizer.

2 – 10in squares of fabric

1 – 10in square of batting

Stitch **Color 1: Placement Line**.

Place batting on top of Polymesh inside the placement lines.

Stitch **Color 2: Tack Down**.

Trim the batting close against the stitching lines.

Place the main (inner) fabric on top of the batting and smooth down.

Stitch **Color: 3 Pattern Outline** to secure the top fabric.

Stitch **Color 4: Quilting** design.

Place the lining fabric face down and centered over the previous stitching.

Stitch **Color 5: Seamlne**.

Remove the embroidery from the hoop and cut about a quarter inch from the outer stitching line.

Stitch up the darts in the lining and quilted pieces to create the dimensional bowl shape. Option: Press the darts open.

Turn the cozy right side out.

Topstitch around the top of the cozy with a $\frac{1}{4}$ " seam.

Stitch from corner to corner, creating an "X" through the bowl to secure all layers.
