

Opening 2027

Building Tomorrow's Leaders, One Scholar at a Time

A tuition-free, public charter school dedicated to excellence,
accountability, and opportunity.

About & Mission

ABOUT US

At Scholars' Collegiate Academy, we hold students, teachers, and leadership to the highest standards academically, organizationally, and financially. Our mission is to change the long-term trajectory of young men's lives through a rigorous, personalized, and values-driven education.

Our Goals

- Develop leadership, scholarship, and character
- Prepare students for advanced high school studies
- Foster creativity, self-discipline, and lifelong learning

"To provide a rigorous academic curriculum that promotes high levels of student effort, achievement, and personal growth in a safe and supportive environment."

Why We're Different

What Makes Us Unique

- Mixed-age classes by ability & motivation
- Foreign language from 6th grade (Spanish & French)
- Advanced mathematics & science pathways
- Arts, music, technology, and sports integration
- Strong focus on respect, manners, and life skills
- High parental and community involvement

Enrichment Programs

STEM Clubs, Debate, Public Speaking, Latin, Chess, Bridge,
Gaming Clubs, Music Appreciation & Hip-Hop Arts, Leadership &
Community Service Projects

Supportive Learning

Tutoring & literacy labs, individualized instruction, special
education & 504 plan support, study skills, time management &
testing strategies
